Warmth On A Winters Day, Oil, 7 x 5 by Kimberly Baker  
**SECOND PLACE AWARD**

### *Juror's Statement*

A clean, well-designed winter scene. There is an overall sense of peace and warmth in this small painting. I note the excellent treatment of the white snow with a variety of light and medium tones and dramatic shadows in a scene splashed by a warm winter sun.

### *Juror's Statement*

This artist communicates a joyful sense of the holidays showing a figure transporting a special tree toward home on his small boat. The message is clear and the design is simple and well-planned. I like the flash of red and gold that draw attention to the center of interest.

Perfect Tree, Oil, 8 x 10 by Pamela Wallenhurst
