Juror's Statement

" It was an excellent body of works and it is never easy separating a few from the many when I begin the process of selection. Deciding how to respond to an image is a difficult undertaking and a long and serious conversation I have with myself about each and every work of art.

I truly appreciate the honor of being asked to select the prizes and working with the Medford Arts Center. it was as always a pleasure to view all the work presented for jury and best of luck to all and congrats to the prize winners ! "

**A Big Thank You to Our Juror
and to all who submitted their beautiful work!**

Congratulations to all!
